

# ASSOCIATE OF ARTS

## SPRING ARBOR UNIVERSITY - off-campus

### Associate of Arts Requirements

The Associate of Arts is comprised of interdisciplinary courses which meet general education requirements. This degree offers both a Christian worldview and a format suitable for the working adult. Courses are offered at off-campus sites using the cohort model. While many courses are face to face, offered either one night a week or on weekends, a few courses are offered online.

#### associate of arts (AAA): 62-hours

Students must also take an elective course to reach the 62 semester hours needed for completion of the requirements for this degree.

#### Spring Arbor University's program integrates faith and learning to provide a unique experience.

The degree includes multi-disciplined introductory courses in the liberal arts taught from a Christian perspective, development of critical thinking skills, and exposure to tools and ideas for self-development and faith development.
