

Master of Arts in Spiritual Formation and Leadership

Spring Arbor University's online spiritual formation and leadership program merges the long-standing principles of spiritual formation with an evangelical perspective on discipleship and includes an annual residency. The MSFL program follows a hybrid design (partially online, partially in person) and is based on the RENOVARÉ six streams of faith and practice that provides training for pastors, lay persons and others interested in their own formation alongside a leadership component. The curriculum includes retreats, seminars and online coursework.

CAREER OPPORTUNITIES

The program provides advanced instruction for pastors, lay persons and others intent on their own development and fostering the skills to lead others in formation.
