

TRANSFER COURSE GUIDE
DELTA COLLEGE (2015-2016) -- SPRING ARBOR UNIVERSITY (2015-2016)

This is only a guide. Please refer to the Spring Arbor University catalog for transfer admission requirements, specific course information, and program requirements. Because institutions may change course descriptions, numbers, or other designators without notice, the information in this transfer guide may not reflect the most recent information available. Please consult with a Spring Arbor University admissions representative concerning questions about specific courses. Spring Arbor University will accept a maximum of 68 semester hours from a community college. Following is a list of Delta College transfer courses, which may be applied to meet the intent of SAU courses. Delta College courses not listed here may also transfer, as general elective credit (or to meet course requirements in an available major or minor), if they are numbered 100-299 and the grade earned is a “C” (2.0) or higher. 100-level courses will not be considered upper division credit at SAU. 200-level courses that meet the intent of Upper Level (300-399) courses at SAU may count as Upper Level credit, on a course-by-course basis. Transferable, technical hours are limited to 20.
