

Professional Licensure Disclosure Detail by Program for SAU

Counseling:

The states that meet the educational requirements for licensure/certification are Michigan and Ohio. For all other states, the determination still needs to be made. SAU's program is accredited by CACREP, which is a common criterion for state approval.

Social Work:

The states that meet the educational requirements for licensure/certification are Michigan and Ohio. For all other states, the determination still needs to be made. SAU's program is accredited by CSWE, which is a common criterion for state approval.

Nursing – BSN:

SAU prepares its BSN students to take the NCLEX exam, which is the main test for licensure required by the states. SAU has determined that our BSN programs prepares students for licensure in Michigan in Ohio. SAU has not yet verified additional requirements for licensure beyond the NCLEX for all the remaining states.

Nursing – Advanced Practice Nursing in Family Nurse Practitioner and Adult Gerontology Nurse Practitioner:

Please note that SAU Does NOT Meet the criteria for licensure for the following states: Arizona, New York.

Please note that the following states are in the process of verifying approval requirements or have NOT yet determined approval requirements for the above licensure: Alabama, Louisiana, South Dakota.

All other states have been approved for the above licensure in nursing.

SAU is approved by the Washington State Nursing Care Quality Assurance Commission to conduct practice experiences in the State of Washington for the MSN Nurse Educator program.

Teacher Certification:

The states that meet the educational requirements for licensure/certification are Michigan and Ohio. For all other states, the determination still needs to be made. SAU's program is accredited by CAEP, which is a common criterion for state approval.
