Your Role!

Give

Make a gift of your own using the give day GiveCampus page. Then post about it and share the link!

Share

A picture is worth a thousand words! Post a picture from your own time as an Arbor Student and share the giving link at the same time! You are also receiving graphics and captions to share across your social media. New fun content will be posted throughout the day, so be sure to share on your favorite platform whenever you see it!

Inspire

We know you are connected! Can you get ***three*** others to join you in making a gift on Spring Arbor Give Day? Help us reach our donor goal!

Help?

If you need assistance, please reach out to Andrew Phelps at andrew.phelps@arbor.edu or call [517.750.6325](tel:517.750.6325)
